August 8, 2017

Dear 14th Street School Families,

We are very excited for the beginning of the 2017-2018 school year! We hope that this letter finds you well and that you have been able to take some time over the summer to enjoy family and friends.

I have been raised and continue to live in our great city, and I am proud of what the Bangor School Department provides for our students. I remain humbled and honored to lead our school community where knowledgeable, caring and dedicated teachers and parents commit tirelessly to the success of all students. Effective communication, a positive school climate, and continued hard work will enhance an already enriching academic environment in the upcoming school year.

On behalf of the 14th Street School staff, welcome to the new 2017-2018 school year. We are excited to a return to the school routine, which begins with some key dates for your calendars:

Tuesday, August 29, 2017 4:00pm – 5:00pm: Pre-Kindergarten Open House

Wednesday, August 30, 2017 4:30pm – 5:30pm: K-3 Open House

Tuesday, September 5, 2017: First Day of School!

Families are asked also to review on the reverse of this letter our morning drop-off and afternoon dismissal routines that keep those times safe and orderly.

We look forward to seeing you all shortly and hope you enjoy the final weeks of summer.

Sincerely,

Dan Chadbourne
Principal

Welcome Back!

Drop – Off (before school):

Pre-K begins at 8:30am. Parents can release their children to Mrs. Bragdon in the main lobby. Parents must stay with their child until they are released to one of the teachers. Please be aware that parent/guardians stay in the main lobby and a staff member will escort your child to the classroom.

K-3 before school: Student may arrive no earlier than 8:40am. We will have appropriate supervision on the playground at that time. Please do not drop off your child prior to 8:40am.

Parking is along the right side of our entrance in the driveway. More parking is located after our front doors on the right side next to the sidewalk. If those spaces are full you are welcome to park on 14th Street.

As you enter our school please be fully aware of your surroundings and drive slowly. Our space is limited and there are many personal vehicles and large buses coming and going in a short period of time, please exercise patience and drive safely. Please do not pass vehicles on either side and if the school bus lights are on please remain stopped.

If you are not going to park please drive in front of the painted crosswalk drop your child and safely exit the driveway.

Pick – up (after school):

If you are picking up your child at the school you are welcome to come to the school at 2:50pm. If you have a child in grades 1 – 3 you will be picking up in the gym. The front office will let you know when you can enter the gym, once our busses have been dismissed, teachers will lead the children to you. Please do not stand in the hallways, we are committed to providing a safe environment for all children and with our small school we must continue to keep high traffic areas clear.

If you are a kindergarten parent, please remain seated in the lobby and students will be brought to you once our busses have been dismissed.

If you have any questions please contact us at 941- 6350.

We are excited for the 2017-2018 school year and are grateful for your continued support to ensure the safety for all our students.

Thank you.
